

Refund & Cancellation Policy

If you place a deposit for a storm shelter and later cancel your order, 50% of the deposit amount paid will be refunded and 50% will be retained. If you cancel within twenty-four (24) hours of a scheduled date/time confirmed by Home Defend Pro, the deposit will be forfeited in full (no refund).

If the storm shelter was paid in full upfront, any approved refund will be subject to a 3% return/processing fee calculated on the total amount paid, which will be deducted from the refund.

We are not responsible for delays caused by weather or other circumstances outside our reasonable control.

All refunds, if issued, will be processed to the original payment method used by the customer.

How to Initiate a Refund Request

To request a refund, please email info@homedefendpro.com and include your order number, name, and the reason for your refund request.

Refund Processing

Deposit refunds will be issued to the original payment method used by the customer. Please allow up to 48 hours for the refund to be processed, although we aim to complete refunds on the next business day. Home Defend Pro is not responsible for delays caused by our merchant processor or your credit card company in posting the refund to your account.
